**\*\*\*Certificates marked are NOT eligible for financial aid**

You should consult the **Financial Aid Office** before you change your program, especially if you want to know:

- ◆ How changing your program will affect your financial aid or scholarship eligibility.
- ◆ How changing your program affects your Veteran’s benefits. Contact Financial Aid/Veterans Affairs office.

You should see an **Advisor** before you change your program, especially if you want to know:

- ◆ How changing your program affects the number of credits you’ll need to graduate.
- ◆ How changing your program might affect the level of English/Math courses you will need.
- ◆ How changing your program affects your eligibility for transfer to a university.
- ◆ How changing your program affects your career/job choices.

**I understand how changing my program will impact me.**
